Greetings Fellow Australians

And friends about the
World it's the 17th Sept 2001 and for this years
remembrance day of the 11th Sept 2001 False Flag
Terrorist Attacks in New York City.

I collected this old Interview by Osama Bin Laden given
to a Pakistani Magazine with him denying being
behind the attacks.

Actually if they are still about he denied **4 times**
that he had anything to do with carrying out these
attacks.

- Did George W Bush & Dick Cheney tell people this?

NO – I wonder why?

- Did Tony Blair or Gordon Brown or David Cameron tell people this?

NO – I wonder why?

- Did Barrack Obama & Hilary Clinton tell people this?

NO – I wonder why?

- Did John Howard and his Senior Ministers
- Kevin Rudd and his Senior Ministers
- Julia Gillard and her Senior Ministers
- Tony Abbott and his Shadow Front Bench

Did any of these people, stand up and tell the Australian people Bin Laden denied 4 times he carried out these attacks?

NO – I wonder why?

- Did Australian Mainstream Media, TV, Radio Newspapers, any other Western Controlled Mainstream Media tell people this?

NO – I wonder why?

Deliberate Attempt To Deceive The People

In legal terms this shows and represent a **“Deliberate Attempt To Deceive The Jury”** – you the people, leaving out a very important part of the Sept 11th 2001 Riddle of who really carried out these attacks.

And by the people above own actions and deeds they point the fingers at the real perpetrators of this crime making all the names mentioned and a few others **“Assessory Before or After The Fact”** guilty of carrying out this Terrorist Attack.

The Truth – Remember people the Truth Never Lies.

Its only if something is **NOT** the Truth, that the establishment lie, leave out part of the story, deceive the people, only tell one side of the story, order Police, Military and Intelligence Agencies to arrest people and charge them on Fake Terrorism Chargers.

And assassinate whistle blowers like the 30 – 40 whistle blowers behind 11th Sept 2001 Attacks have been eliminated.

By the establishment doing this, they prove their guilt who was really behind these attacks.

Sept 11th 2001 Terrorist Attacks in New York, USA **was** **"A False Flag Terrorist Attack"** upon United States of America, concocted by a handful of Israelis and dual passport Americans and carried out by the resources of the Mossad, CIA, US Military, FBI and NSA with all other agencies and Government Depts falling in line behind them and the Official Story released to the Mainstream Media.

With Vice President Dick Cheney transferring all operational powers over the Police, FBI, CIA, NSA, Secret Service, US Military over to himself for the day, and ran Anti - Terrorism Drills / Exercises with the US Military as cover for this "False Flag" Terrorist Attack to go ahead.

With that all said, please read on **"Exclusive"** **interview with Usamah Bin-Ladin"** this is what Bin Laden had to say about these attacks – **Take Special Note he tells everybody who was behind these attacks**

Ummat's introduction

Kabul: Prominent Arab mojahed holy warrior Usamah Bin-Ladin has said that he or his al-Qa'idah group has nothing to do with the 11 September suicidal attacks in Washington and New York.

He said the US government should find the attackers within the country.

In an exclusive interview with daily **"Ummat"**, he said these attacks could be the act of those who are part of the American system and are rebelling against it and working for some other system.

Or, Usamah said, this could be the act of those who want to make the current century a century of conflict between Islam and Christianity.

Or, the American Jews, who are opposed to President Bush ever since the Florida elections, might be the masterminds of this act.

There is also a great possibility of the involvement of US intelligence agencies, which need billions of dollars worth of funds every year.

He said there is a government within the government in the United States.

The secret agencies, he said, should be asked as to who are behind the attacks.

Usamah said support for attack on Afghanistan was a matter of need for some Muslim countries and compulsion for others.

However, he said, he was thankful to the courageous people of Pakistan who erected a bulwark before the wrong forces.

He added that the Islamic world was attaching great expectations with Pakistan and, in time of need, "we will protect this bulwark by sacrificing of lives".

Following is the interview in full detail:

Ummat: You have been accused of involvement in the attacks in New York and Washington.

What do you want to say about this?

If you are not involved, who might be?

Usamah [Osama bin Laden]: In the name of Allah, the most beneficent, the most merciful.

Praise be to Allah, Who is the creator of the whole universe and Who made the earth as an abode for peace, for the whole mankind.

Allah is the Sustainer, who sent Prophet Muhammad for our guidance.

I am thankful to the Ummat Group of Publications, which gave me the opportunity to convey my viewpoint to the people, particularly the valiant and Momin true Muslim people of Pakistan who refused to believe in lie of the demon.

I have already said that I am not involved in the 11 September attacks in the United States.

As a Muslim, I try my best to avoid telling a lie.

I had no knowledge of these attacks, nor do I consider the killing of innocent women, children, and other humans as an appreciable act.

Islam strictly forbids causing harm to innocent women, children, and other people.

Such a practice is forbidden ever in the course of a battle.

It is the United States, which is perpetrating every maltreatment on women, children, and common people of other faiths, particularly the followers of Islam.

All that is going on in Palestine for the last 11 months is sufficient to call the wrath of God upon the United States and Israel.

There is also a warning for those Muslim countries, which witnessed all these as a silent spectator.

What had earlier been done to the innocent people of Iraq, Chechnya, and Bosnia?

Only one conclusion could be derived from the indifference of the United States and the West to these acts of terror and the patronage of the tyrants by these powers that America is an anti-Islamic power and it is patronizing the anti-Islamic forces.

Its friendship with the Muslim countries is just a show, rather deceit.

By enticing or intimidating these countries, the United States is forcing them to play a role of its choice.

Put a glance all around and you will see that the slaves of the United States are either rulers or enemies of Muslims .

The US has no friends, nor does it want to keep any because the prerequisite of friendship is to come to the level of the friend or consider him at par with you.

America does not want to see anyone equal to it.

It expects slavery from others.

Therefore, other countries are either its slaves or subordinates.

However, our case is different.

We have pledged slavery to God Almighty alone and after this pledge there is no possibility to become the slave of someone else.

If we do that, it will be disregardful to both our Sustainer and his fellow beings.

Most of the world nations upholding their freedom are the religious ones, which are the enemies of United States, or the latter itself considers them as its enemies.

Or the countries, which do not agree to become its slaves, such as China, Iran, Libya, Cuba, Syria, and the former Russia as received.

Whoever committed the act of 11 September are not the friends of the American people.

I have already said that we are against the American system, not against its people, whereas in these attacks, the common American people have been killed.

According to my information, the death toll is much higher than what the US government has stated.

But the Bush administration does not want the panic to spread.

The United States should try to trace the perpetrators of these attacks within itself the people who are a part of the US system, but are dissenting against it.

Or those who are working for some other system; persons who want to make the present century as a century of conflict between Islam and Christianity so that their own civilization, nation, country, or ideology could survive.

They can be any one, from Russia to Israel and from India to Serbia.

In the US itself, there are dozens of well-organized and well-equipped groups, which are capable of causing a large-scale destruction.

Then you cannot forget the American Jews, who are annoyed with President Bush ever since the elections in Florida and want to avenge him.

Then there are intelligence agencies in the US, which require billions of dollars worth of funds from the Congress and the government every year.

This funding issue was not a big problem till the existence of the former Soviet Union but after that the budget of these agencies has been in danger.

They needed an enemy.

So, they first started propaganda against Usamah and Taleban and then this incident happened.

You see, the Bush administration approved a budget of 40bn dollars.

Where will this huge amount go?

It will be provided to the same agencies, which need huge funds and want to exert their importance.

Now they will spend the money for their expansion and for increasing their importance.

I will give you an example.

Drug smugglers from all over the world are in contact with the US secret agencies.

These agencies do not want to eradicate narcotics cultivation and trafficking because their importance will be diminished.

The people in the US Drug Enforcement Department are encouraging drug trade so that they could show performance and get millions of dollars worth of budget.

General Noriega was made a drug baron by the CIA and, in need, he was made a scapegoat.

In the same way, whether it is President Bush or any other US president, they cannot bring Israel to justice for its human rights abuses or to hold it accountable for such crimes.

What is this?

Is it not that there exists a government within the government in the United States?

That secret government must be asked as to who made the attacks.

Ummat: A number of world countries have joined the call of the United States for launching an attack on Afghanistan.

These also include a number of Muslim countries.

Will Al-Qa'idah declare a jihad against these countries as well?

Usamah: I must say that my duty is just to awaken the Muslims; to tell them as to what is good for them and what is not.

What does Islam say and what the enemies of Islam want?

Al-Qa'idah was set up to wage a jihad against infidelity, particularly to encounter the onslaught of the infidel countries against the Islamic states.

Jihad is the sixth undeclared element of Islam.

The first five being the basic holy words of Islam, prayers, fast, pilgrimage to Mecca, and giving alms Every anti-Islamic person is afraid of it.

Al-Qa'idah wants to keep this element alive and active and make it part of the daily life of the Muslims.

It wants to give it the status of worship.

We are not against any Islamic country nor we consider a war against an Islamic country as jihad.

We are in favour of armed jihad only against those infidel countries, which are killing innocent Muslim men, women, and children just because they are Muslims.

Supporting the US act is the need of some Muslim countries and the compulsion of others.

However, they should think as to what will remain of their religious and moral position if they support the attack of the Christians and the Jews on a Muslim country like Afghanistan.

The orders of Islamic shari'ah jurisprudence for such individuals, organizations, and countries are clear and all the scholars of the Muslim brotherhood are unanimous on them.

We will do the same, which is being ordered by the Amir ol-Momenin the commander of the faithful Mola Omar and the Islamic scholars.

The hearts of the people of Muslim countries are beating with the call of jihad.

We are grateful to them.

Ummat: The losses caused in the attacks in New York and Washington have proved that giving an economic blow to the US is not too difficult.

US experts admit that a few more such attacks can bring down the American economy.

Why is al-Qa'idah not targeting their economic pillars?

Usamah: I have already said that we are not hostile to the United States.

We are against the system, which makes other nations slaves of the United States, or forces them to mortgage their political and economic freedom.

This system is totally in control of the American Jews, whose first priority is Israel, not the United States.

It is simply that the American people are themselves the slaves of the Jews and are forced to live according to the principles and laws laid by them.

So, the punishment should reach Israel.

In fact, it is Israel, which is giving a blood bath to innocent Muslims and the US is not uttering a single word.

Ummat: Why is harm not caused to the enemies of Islam through other means, apart from the armed struggle?

For instance, inciting the Muslims to boycott Western products, banks, shipping lines, and TV channels.

Usamah: The first thing is that Western products could only be boycotted when the Muslim fraternity is fully awakened and organized.

Secondly, the Muslim companies should become self-sufficient in producing goods equal to the products of Western companies.

Economic boycott of the West is not possible unless economic self-sufficiency is attained and substitute products are brought out.

You see that wealth is scattered all across the Muslim world but not a single TV channel has been acquired which can preach Islamic injunctions according to modern requirements and attain an international influence.

Muslim traders and philanthropists should make it a point that if the weapon of public opinion is to be used, it is to be kept in the hand.

Today's world is of public opinion and the fates of nations are determined through its pressure.

Once the tools for building public opinion are obtained, everything that you asked for can be done.

Ummat: The entire propaganda about your struggle has so far been made by the Western media.

But no information is being received from your sources about the network of Al-Qa'idah and its jihadi successes.

Would you comment?

Usamah: In fact, the Western media is left with nothing else. It has no other theme to survive for a long time.

Then we have many other things to do.

The struggle for jihad and the successes are for the sake of Allah and not to annoy His bondsmen.

Our silence is our real propaganda.

Rejections, explanations, or corrigendum only waste your time and through them, the enemy wants you to engage in things which are not of use to you.

These things are pulling you away from your cause.

The Western media is unleashing such a baseless propaganda, which make us surprise but it reflects on what is in their hearts and gradually they themselves become captive of this propaganda.

They become afraid of it and begin to cause harm to themselves.

Terror is the most dreaded weapon in modern age and the Western media is mercilessly using it against its own people.

It can add fear and helplessness in the psyche of the people of Europe and the United States.

It means that what the enemies of the United States cannot do, its media is doing that.

You can understand as to what will be the performance of the nation in a war, which suffers from fear and helplessness.

Ummat: What will the impact of the freeze of al-Qa'idah accounts by the US?

Usamah: God opens up ways for those who work for Him.

Freezing of accounts will not make any difference for Al-Qa'idah or other jihad groups.

With the grace of Allah, al-Qa'idah has more than three such alternative financial systems, which are all separate and totally independent from each other.

This system is operating under the patronage of those who love jihad.

What to say of the United States, even the combined world cannot budge these people from their path.

These people are not in hundreds but in thousands and millions.

Al-Qa'idah comprises of such modern educated youths who are aware of the cracks inside the Western financial system as they are aware of the lines in their hands.

These are the very flaws of the Western fiscal system, which are becoming a noose for it and this system could not recuperate in spite of the passage of so many days.

Ummat: Are there other safe areas other than Afghanistan, where you can continue jihad?

Usamah: There are areas in all parts of the world where strong jihadi forces are present, from Indonesia to Algeria, from Kabul to Chechnya, from Bosnia to Sudan, and from Burma to Kashmir.

Then it is not the problem of my person.

I am helpless fellowman of God, constantly in the fear of my accountability before God.

It is not the question of Usamah but of Islam and, in Islam too, of jihad.

Thanks to God, those waging a jihad can walk today with their heads raised.

Jihad was still present when there was no Usamah and it will remain as such even when Usamah is no longer there.

Allah opens up ways and creates loves in the hearts of people for those who walk on the path of Allah with their lives, property, and children.

Believe it, through jihad, a man gets everything he desires.

And the biggest desire of a Muslim is the after life.

Martyrdom is the shortest way of attaining an eternal life.

Ummat: What do you say about the Pakistan government policy on Afghanistan attack?

Usamah: We are thankful to the Momin and valiant people of Pakistan who erected a blockade in front of the wrong forces and stood in the first file of battle.

Pakistan is a great hope for the Islamic brotherhood.

Its people are awakened, organized, and rich in the spirit of faith.

They backed Afghanistan in its war against the Soviet Union and extended every help to the mojahedin and the Afghan people.

Then these are very Pakistanis who are standing shoulder by shoulder with the Taleban.

If such people emerge in just two countries, the domination of the West will diminish in a matter of days.

Our hearts beat with Pakistan and, God forbid, if a difficult time comes we will protect it with our blood.

Pakistan is sacred for us like a place of worship.

We are the people of jihad and fighting for the defence of Pakistan is the best of all jihads to us.

It does not matter for us as to who rules Pakistan.

The important thing is that the spirit of jihad is alive and stronger in the hearts of the Pakistani people.

Read about Osama Bin Laden in Michael Chossudovsky's International best-seller

According to Chossudovsky, the "War On Terrorism" is a complete fabrication based on the illusion that one man, Osama bin Laden, outwitted the \$40 billion-a-year American intelligence apparatus.

The "War On Terrorism" is a war of conquest.

Globalisation is the final march to the "New World Order", dominated by Wall Street and the U.S. military-industrial complex.
